Dear Sir:

In response to the election requirement contained in the Office Action mailed on February 23, 2007, Applicants hereby elect the species covered by Fig. 2, Species I. At least claims 1-3, 5-8, and 10-13 read on the elected species. The election is made without traverse.

Applicants' election is made without prejudice. As noted by the Examiner, upon the allowance of a generic claim, Applicants will be entitled to consideration of claims to not more than a reasonable number of species in addition to the elected species, provided that all claims to each additional species are written in dependent form or otherwise include all the limitations of an allowed generic claim as provided by 37 CFR 1.146.
